

2025 was a special year for Bond Legal as we marked our 5<sup>th</sup> birthday, and reflected on how far we have come over the last few years. We felt pride in the fact that we established the business during the COVID pandemic and have grown year on year as the UK emerged from that difficult time.

We also reflected on the importance of relationships, both old and new, in establishing and growing any business. It was great to work with Wendy at <https://newenglish.co.uk/> who came up with the idea of celebrating our birthday by sending clients and contacts a brochure and some edible gifts as a token of our appreciation. Great too to work with Sarah at <https://salottiphotography.co.uk> who took some amazing photos for the project, Rachael at <https://www.bigoldhouse.com> for the words and PR, and Molly at <https://www.paragonsalessolutions.co.uk> for maintaining our strong presence on social media. Here's to another great year!
